## HEALTH CARE BENEFITS

**Blue Cross Blue Shield (BCBS)** health programs are available to Grandville-Jenison Chamber of Commerce members. To take advantage of this opportunity, please contact Sandy LeBlanc at 616-531.8890.

There are three types of health programs available with BCBS:

1. **Traditional Major Medical**
2. **Blue Care Network:** Participating Provider Organization (HMO)
3. **Community Blue:** Health Maintenance Organization (PPO)
4. **Health Savings account plans**

**Priority Health HMO** is directly available to GJC Members. Priority Health is a regional HMO serving 13 contiguous counties in West Michigan. Similar to BCBS, Priority Health rates are based on group size and industry code (SIC). Program specifics and a rate proposal may be obtained from an agent appointed by Priority Health. Check out our website, [www.grandvillechamber.org](http://www.grandvillechamber.org) for a listing of member providers.

**Colonial Life** is a national leader in worksite benefits. Through our partnership with the Chamber, **we are able to offer our Grandville-Jenison area businesses a variety of solutions to one of today's pressing issues - the rising cost of healthcare.** Through a combination of products and services, Colonial Life helps employers reduce costs, protects employees with valuable insurance coverage and supports our local chamber and their mission.

Here's how our solutions could help your business:

- **Expand your employee benefit offering at no direct cost to your business.**
- **Obtain FREE access to the Commerce Clearing House HR Answers Now website (\$1400 value) providing information on HR policies, guidelines, state and federal regulations and more.**
- **Save on your major medical premiums without changing your carrier or agent!**
- **Contain future premium increases – our rates remain stable!**
- **Enhance employees' understanding of the value of their employee benefits at no charge to your company.**
